

**GEORGE
PAASEWE**

PROFESSOR, AUTHOR, SPEAKER.

When planning a conference, training, or event on diversity, equity, or inclusion, you want the attendees to be inspired, engaged, and ready to become global citizens who are aware of and understand the wider world – and their place in it.

Hire **GEORGE PAASEWE** to deliver that experience to your college, university, corporation, and organization on code-switching. In this meaningful experience, audience members will be able to:

- To examine and evaluate the concept of code-switching.
- To explore reasons why people code-switch.
- To illustrate the adverse effects of code-switching.
- To identify the root cause of why people of color experience the burden of code-switching.
- To assess the impact of code-switching on individuals' sense of belonging.
- To recognize the symptoms of burnout due to code-switching.
- To understand the potential consequences when individuals choose not to code-switch.
- To provide strategies to help eliminate the unconscious exclusion and marginalization of people of color.
